

The LNM Institute of Information Technology, Jaipur

Bus Management

1. Based on the suggestions received from users the current Bus Time Table is being revised.
2. This has been discussed by all concerned with Director and hereafter there would be no changes in it till further orders. The transport committee is the only body to make any further changes with due deliberations and after the approval of appropriate authority.
3. 8 X seats (4 pairs) have also been earmarked for faculty / staff and all are requested not to occupy their seats when faculty / staff are travelling in the bus.
4. The bus would have two destinations: Ajmeri Gate and Pink Square (lane opposite the pink square mall. The bus shall start and stop from this lane only).
5. All concerned are requested to adhere to the laid down norms and avoid over loading at all times.
6. All users are requested not to make any suggestions regarding this particular bus schedule which shall be in effect till further orders.
7. Any additional requirement shall be put up to authorities for considerations well ahead of time.
